March 2022 Newsletter

March 1st, 2022

This March, we celebrate Women's History Month and all of the achievements that women all over the world have accomplished! MASH would like to thank all of our female Owner/Operators for all of their hard work and for providing so many women in recovery with safe sober homes. We would also like to thank all of our women staff and Board members for all of the work they do behind the scenes at MASH.

Don't forget to re-certify your home this year!

Please don't forget to submit recertification paperwork to kerazo@mashsoberhousing.org if you haven't already. This year, we are adding 7 new NARR 3.0 policies and providing you with already created templates so that you don't have to!

MASH ALLOCATES \$1.8 MILLION IN FUNDING FOR OUR CERTIFIED SOBER HOMES AND RESIDENTS

The MASH Rental Assistance Program came into existence about 2 years ago in an effort to provide financial relief to needy applicants seeking sober living. Simultaneously, the MASH Probation/Parole Grant was established to help people who have had contact with probation or that are currently incarcerated and being released under the conditions of Parole

To date, more than **\$935,000** in funds have been disbursed to our Certified Sober Homes under the MASH Probation/Parole Grant, with an additional **\$300,000** in funding remaining for this fiscal year's allocation. We are currently negotiating an extension of this Grant.

In addition, **\$580,000** in funds have been disbursed to our Certified Sober Homes under the Rental Assistance Program. Are advocacy program is currently seeking more funding for Rental Assistance and MASH Scholarships.

We are so proud of the Success these programs have had in helping our Certified Sober Homes and the population we serve. Participation is limited **ONLY** to MASH Certified Sober Homes in good standing.

Please contact us if you have any questions about the MASH Probation/Parole Grant or Rental Assistance Programs.
